

# Stadium Clear Bag Policy

Hard Rock Stadium has instituted a safety policy that will make the security process more efficient and effective. The Miami Open and Hard Rock Stadium are committed to ensuring the guest experience is second to none, and the safety of our guests is essential to maintaining this experience.

The safety policy affects the type and size of bags that are permitted into the stadium — not the items that fans normally need to bring to a game or event. Guests may continue to carry pockets items such as keys, makeup, combs, phones, wallets and credit cards. Guests wishing to purchase Miami Open branded approved bags can visit the retail store at Hard Rock Stadium.

## BELOW ARE THE STADIUM APPROVED BAGS FANS MAY CARRY INTO THE STADIUM:

- ✓ One bag that is clear plastic, vinyl or PVC and does not exceed 12" by 6" and 12" or a one-gallon clear plastic freezer bag (Ziploc bag or similar).
- ✓ In addition to one of the clear bags noted above, fans may also carry in a small clutch bag or purse approximately the size of a hand, with or without a handle or strap.
- ✓ An exception will be made for medically necessary items after proper inspection at Gate E designated for this purpose.
- ✓ Diapers and wipes can be carried in a clear bag. Each member of a family, including children, will be able to carry and approved clear bag and a clutch purse, providing ample storage capacity.
- ✓ **Laptops bags and backpacks are allowed for working purposes only for credentialed sponsors.**

Items such as smartphones, binoculars and cameras will be permitted into the stadium. This policy is meant to speed up the process of entering the stadium along with increasing security measures.

The Miami Open and Hard Rock stadium are committed to protecting public safety. This is an important step in achieving that.
